OFFICE OF THE DIRECTOR OF CIVIL SUPPLIES
IN MYSORE 19 -19

Bangalore, Dated 19th October 191 9

10356

OFFICE OF THE CHIEF SECRETARY
2 1 OCT 1919

From

K. MATTHAN, Esq., B. A.,
Director of Civil Supplies in Mysore.

To

C. S. Balasundaram Iyer, Esq., B.A.,
Chief Secretary to the Govt. of Mysore.

Sir,

With reference to Government Notification No. G.25060 P.P.2-18-38 dated the 6th May 1919, prescribing conditions for the sale of kerosene oil in the State, I have the honour to submit herewith for information of Government copies of letters received from the oil companies in Madras and Bombay stating that the supplies of oil are ample and that control may now be removed. The Government of Madras have decided to remove the control of kerosene oil from the first of the next month. I, therefore, beg to recommend that the present system of control of kerosene oil may be removed from the first of November 1919 in this State also.

I have the honour to be,
Sir,
Your most obedient servant,

Director of Civil Supplies.

M.P.H.

Copy of letter No.21077 dated 17th October 1919 from Messrs Shaw Wallace & Co., Agents, Burma Oil Co., Madras, to the Directo of Civil Supplies in Mysore, Bangalore.

We thank you for your letter No.6627 of 15th instant.

Stocks of Kerosene in Madras are now ample and there appears no reason to anticipate any difficulty in keeping the markets in Mysore State fully supplied. As the Madras Government have decided to abolish the control system we think it follows that they have considered the situation from every point of view and have decided that the abolition involves very little risk.

****

Copy of letter No.S154/246 dated 17th October 1919 from the Asiatic Petroleum Co., Ltd, Madras to the Director of Civil Supplies in Mysore, Bangalore.

We have the honour to acknowledge the receipt of your letter No.6629 dated the 15th instant, and in reply we beg to inform you that as the supplies of kerosene oil are now ample there should be no difficulty in meeting the full demand of the market.

****

Copy of letter No.3287 dated 17th October 1919 from the Standard Oil Co., of New York, Madras to the Director of Civil Supplies in Mysore, Bangalore.

In reply to your No.6628, we assure you that we have maximum stocks with plenty more of all brands afloat and arranged for and we are prepared from now on to accept any and all business offering in this Presidency without reservation.

****

Copy of letter No.KG 472 dated 17th September 1919 from Messrs. Shaw Wallace & Co., Agents, Burma Oil Co., Bombay, to the Director of Civil Supplies, Bangalore.

We have the honour to request you to be good enough to remove the control on deliveries of oil at towns in your jurisdiction. We now have all agencies fully stocked and your

your control is restricting deliveries. We think that you will admit that this is not in the interests of the public and we trust you will be able to accede to our request.

Stocks of oil in Bombay are very large and there is no likelihood of a failure of supplies in the future.

****

Copy of letter No.A8045 dated 26th August 1919 from the Asiatic Petroleum Co., Bombay to the Director of Civil Supplies in Mysore, Bangalore.

We beg to inform you that one of our Inspectors who recently visited Arsikere reports that the control system at that place is still in force. In this connection we beg to refer you to our letter No.A6953 dated 22nd ultimo in which we requested you to remove control altogether as we have received ample supplies and are in a position to send sufficient stocks to our upcountry agents to enable them to make free sales of our kerosene oil. Such being the case, we submit that there is no longer any necessity to continue the system of issuing permits to dealers for sale of kerosene oil, and we shall be much obliged if you will remove all control over the stocks held by our agents in your jurisdiction. If however you consider some sort of control is necessary, we think it may safely be confined to seeing that excess prices are not charged either by agents or dealers.

****

Copy of letter No. nil dated 13th August 1919 from the Indo-Burma Petroleum Co., Bombay, to the Controller of Civil Supplies, Bangalore.

We have the honour to write to you in regard to the removal of the control of kerosene oil in Bangalore.

9

Now that supplies of oil are being distributed freely and all petroleum companies are receiving adequate supplies from their refineries, we see no reason why the control should be maintained. We would like to point out also that the control has already been lifted in many places throughout India.

We should be much onliged if you would give this matter your consideration.

****

C.No.C.P.B.

Sir,

I beg to am forward the following news slip for favour ~~of publication~~ for information.

Yours faithfully,

To the Editors' Table.

P.B.N.S.No.4.

Kerosine Oil.

In view of the facts that ample and regular supplies of kerosine oil are now available and that the oil companies have ensured the Director of Civil Supplies that they will guarantee a regular supply in future, the Government have decided to discontinue the present system of control from the 1st of November 1919. The following notification has been ordered to be published in the Fort St.George Gazette:-

Notification.

The Governor in Council is pleased to discontinue with effect from the 1st November 1919 the present system of control of the sale of kerosine oil in the Madras Presidency and accordingly directs that the kerosine oil order issued under Rule 11 (J) of the Defence of India (Consolidation) Rules 1915 and published in Notification No.86, dated the 24th August 1918, appearing on page 913, Part I of the Fort St. George Gazette shall be cancelled.
